The screenshot displays the NKSLP ERP web application. The browser address bar shows the URL `192.168.0.4/cms_baou_new/index.php`. The application has a green navigation bar with links: Home, Study Center, Master Setup, Reports, and Help. Below this is a secondary navigation bar with links: Admission, Examination, Project, Study Center Guidelines, and Academic Support. The main content area is titled "Evaluation Scheme" and contains a form with the following fields:

- Title***: Evaluation Scheme
- Subject***: Engg Drawing
- Students:** ☐ Students
- Study Center***: ☐ All Study Cen, ☐ Nakoda Stud

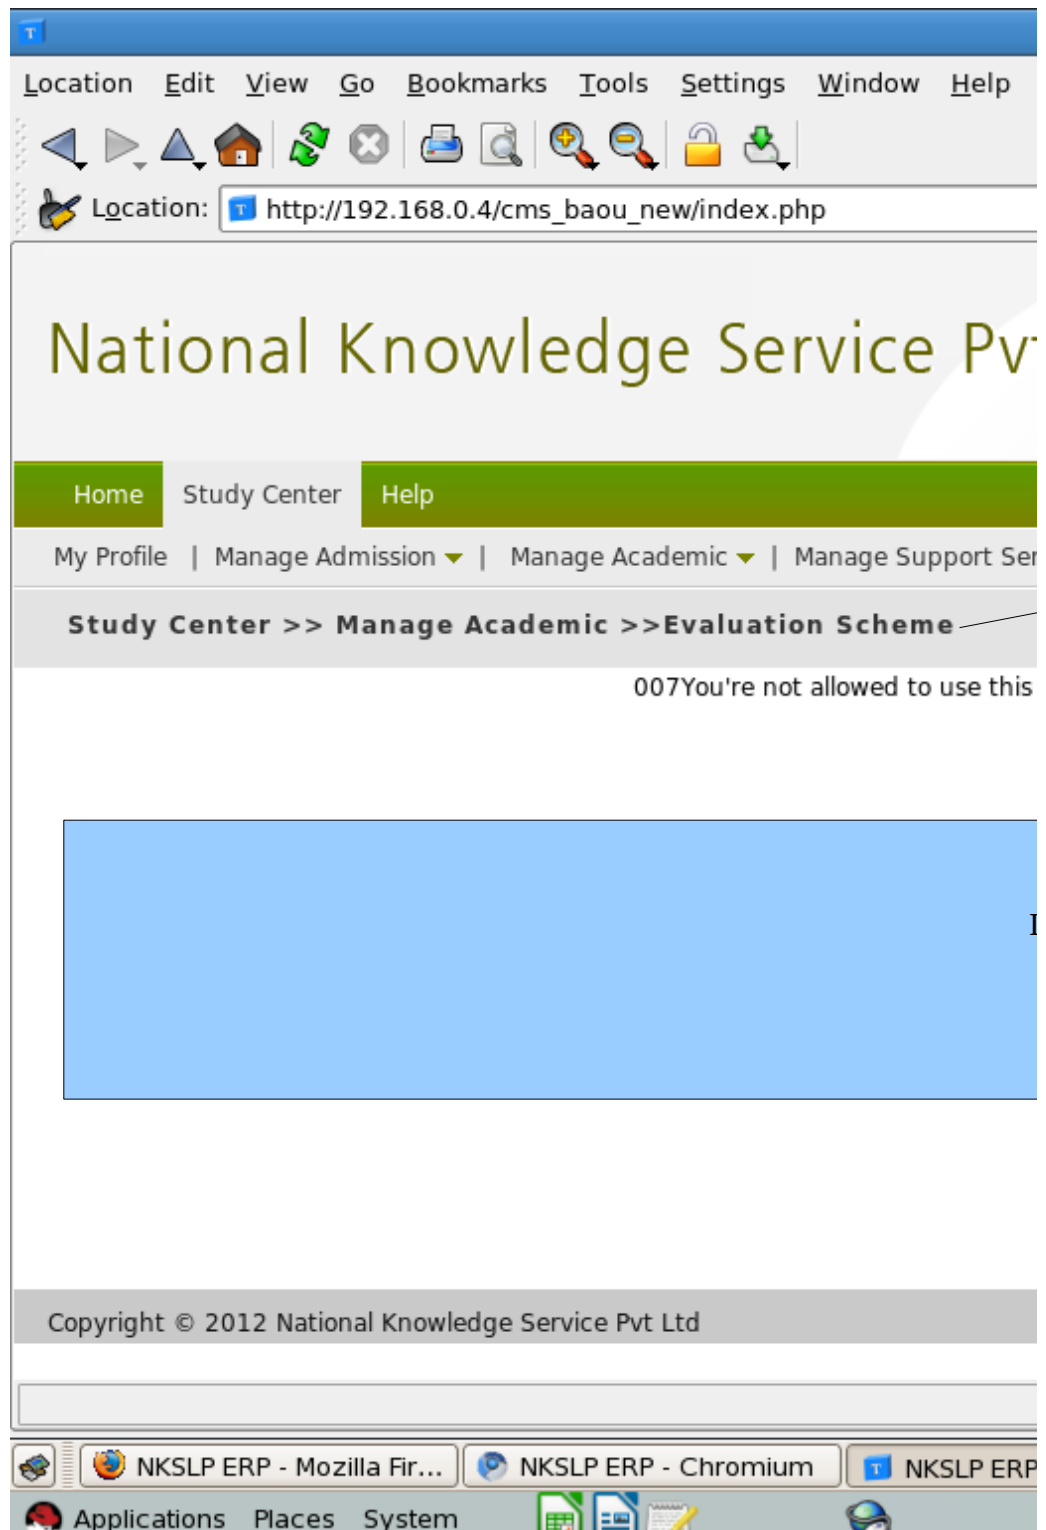

A red rectangular box highlights the "Students:" field. A line points from the text "Showing For student" to this field. Below the box, the text "But in student log-in Menu is not available" is present. Further down, the text "If This wants to saw to students then" is shown, followed by "Put menu in student login otherwise remove this field from this menu".

Below the form is a table with the following data:
